WEATHER and Fire-Proof Patent Paint.—I hereby give notice to the public, that I have been appointed a Agent for the sale of this extraordinary substance.

It is a Mineral Paint, which, when applied to a Building, and exposed to the action of the atmosphere, forms a coat of slate or stone, rendering the Building perfectly fire and weather proof. The attention of Distillers, Mill Owners, Railroad Companies, Steamboat Proprietors, and Planters is reaction. Companies, Steamboat Proprietors, and Planters, is particularly called to this substance. It adheres with the utmost tenacity, to the substance to which it is applied, never cleans off, and once applied, it is applied for ever. It is much preoff, and once applied, it is applied for ever. It is much preferable to tin or zinc, for covering roofs, makes them perfectly water tight. When applied to brick or stone buildings, it excludes the dampness of the external atmosphere, making such buildings more healthy. For a more particular explanation of its Chemical properties, see Circulars. 100 lbs. will cover 1000 superficial feet. Wholesale price, 4 cents per lb., retail 5 cents; this is about half the price of White Lead.—Any person wishing a circular, can have it mailed to them. Address me, post paid.

WM. A. GWYER,
General Agent, Forwarding & Commission Merchant,
Nov. 2, 1849. [6tf] Wilmington, N. C.

Nov. 2, 1849. 8-3t] ALBERT SMEDES, Rector.

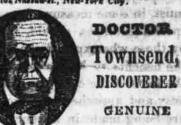

CAUTION EXTRA.

A man by the name of RUBL CLAPP has engaged with a young man of the arms of S. P. Townsend, and uses his name to put up a Sarasparilla, which they call Dr. Townsend's Sarasparilla, denominating it GENUINE, Original, the. This Townsend is no doctor and never was, but here formerly a worker or relifonding mails, and the like. Yet he assumes the title of Dr., for the purpose of gaining credit for what he is not. He is sending out cards headed "Tricks of Chucks," in which he says, I have sold the use of my name for \$7 a week. I will give S. P. Townsend \$500 if he will produce one single solitary proof of this. This is to caution the public not to be decived, and purchase more but the GENUINS ORIGINAL, OLD Dr. Jacob Townsend's Sarasparilla, having on it the Old Dr. likeness, his family out of arms, and his signature across the citat of arms.

JACOB TOWNSEND. Principal office, 192 Nassawel, New-York City.

OLD Jacob THE ORIGINAL OF THE

August 10, 1849.

TOWNSEND SARSAPARILLA. Old Dr. Townsend is now about 70 years of age, and has long been known as the AUTHOR and DISCOVERER of the GENUINE ORIGINAL "TOWNSEND SARSAPARILIDA." Being poor, he was compelled to limit its manufacture, by which means it has been kept out of market, and the sales circumscribed to dione only who had proved its worth and known its value. It had reached the ears of many, nevertheless, an those persons who had been healed of sore diseases, and safed from death, proclaimed its excellence and wonderful HEALING POWER. This

is manufactured on the largest scale, and is called for throughout the length and hreadth of the land.

Unlike young S. P. Townsend's, it improves with age, and never changes, but for the helter; because it is prepared on scientific principles by a scientific man. The highest knowledge of Chemistry, and the latest discoveries of the Art, have all been brought into requisition in the manufacture of the OLD DR.'S SARSAPAR-ULLA. The Strangarilla root, it is well known to medical mes, contiguis medicinal properties, and some properties which are inert or uncless; and others, which, if retained in preparing it for use, produce fermentation and acid, which is injurious to the system. Some of the properties of Sarsaparilla are so volutile that they entirely evaporate and are leat in the preparation. It is monifacture. Moreover these volutile principles, which fly off in suppor, or as an exhibition, under heat, are the very essential medical properties of the root, which gives to it all its value. The

GENUINE Old Dr. Jucob Townsend's Sarsaparilla is so prepared, that all the inert properties of the Sarasparilla root are first removad, everything capable of becoming acid or of fermentation, is extracted and rejected then every particle of medical virtue is secured in a piere and concentrated form; and thus it is rendered incapable of losing any of its veloable and bealing properties. Frepared in this way, it is made the most powerful agent in the

Cure of Innumerable Diseases

Impurity of the Blood. It possesses a marvellous efficacy in all complaints arising from Indigestion, from Agistic of the Stomach; from outqual circulation, determination of the beart, cold feet and cold hands cold chills and hot flushes over the hody. It has not had its equal in coughs and cold chills and hot flushes over the

It has not had its equal in coughs and coals; and promotes easy expe-and gentle perspiration, relaxing stricture of the longs, throat, and every But in nothing is its excellence more manifestly seen and acknowledged than is Female Complaints. It works wonders in cases of fuor abus or whites. Falling of the Womb, tructed. Suppressed, or Painful Menses, Irregularity of the meastrual parall the like; and is effected in curing all forms of the Kidney Disease.

By removing obstructions, and regulating the general system, it gives tone ansetrength to the whole body, and cures all forms of Nervous Diseases and Debility,

The Medicine you Pre-eminently Need! But can any of these things he said of S. P. Townsend's inferior article? This roung man's liquid is not to be

because of the GRAND PACT, that the one is INCAPABLE of DETERIORA Never Speile,

while the other DOES; it cours, ferments, and blove the bottles containing it into fragments; the sour, acid liquid expluding and damaging other goods? Must not this horrible compound be possessed to the system? What? put acid into a system siready diseased with acid! What causes Dyspepsis but acid? Do we not all know, that when food sours in our stomachs, what mischiefs it produces?—Satult leave, peartburs, palpitation of the beart, liver complaint, diarrhum, dysettlery, sholic and corruption of the blood? What in Scrotinia but an acid himtor in the body? What poduces all the humors which bring on Evolutions of the Khin, Scald. Head, Sale Rheum. Ecysipelas, White Swellings, Fever-Sores, and all ulcerations internal-and external? It is nothing under heaven but an acid substance, which some acid him spoils all the flouis of the budy, more or less. What gauses Rheumarian but a sour acid fluid, which instances itself between the joints and else where, itritating and inflaming the tender and delicate tissues upon which it acts? For enteriors diseases, of impurity of the blood, of deranged circulations, and nearly all the allments which afflict himms passare.

Now, is it not horrible to make and sell, and infinitely worse to use this Souring, Fermenting, Acid " Compound" OF S. P. TOWNSEND!

and yet he would fain have it understood that Old Jacob, Townsend's OKNUME ORIGINAL SARSAPARULLA, is an EMPTATION of his inferior preparation !!

Heaves forbid that we should deal in an article which would bear the most distant resemblance to S. P. Townsend's article 1 and which should 1 ring down upon the Old Dr. such a mountain load of complaints and criminations from accute who have sald, and purchasers who have used S. P. Townsend's PERMENTING COMPUND 1 Pound:

We wish it understood, because it is the absolute truth, that S. P. Townsend's article and Old Dr. Jacob Townsend's Sarasparilla are heaven-wide apart, and habitaly dissimiliar; that they are unlike in every perticular, having not one single thing in common.

As S. P. Townsend is no doctor, and never was, is no chemist, no pharmaceutlat-knows no more of medicine or disease, than any other townson, unscientifit, unprofessional man, what guarantee can be public hay that they are covering a genuine scientific medicine containing all the properties of the articles used in preparing it, and which are incapable of changes, which might remier them the AGENTS of DISEASE instead of health?

It is to arrest fruids upon the unfortunate, to pour balm into accorded howards, to kindle hope in the despairing buson, to restore intalls and bloom and view into the crushed and broken and to bantah informity—that old DR. JaCOB TOWNSEND has SOUGHT and POUND the uppertunity and means to bring him

Grand Universal Concentrated Remedy, within the reach, and to the knowledge of all who need it, that they may learn an know, by joyful experience, its snd thus to have the unpurchamble satisfaction of having raised thousands and milhon, from the bed of sixtuess and despondency, to hope, health, and a long life of sixtuess to themselves, their families and friends.
